Re: Communication Relating to Hurricane Sandy

Good luck to all of you as you continue to provide services during Hurricane Sandy.

As you know, Governor Malloy appointed me as his Nonprofit Liaison. I've been on the job since early October. I look forward to working with your organizations and will discuss opportunities with you after the storm and its impact is done.

I know that you are working with your state agency and municipal contacts during the storm and its aftermath. Also see the important links below. If my office can be of any assistance to you, please email me at terry.edelstein@ct.gov
